NCL's Norwegian Gem

This cruise ship has a whimsically sprayed color not only on its exterior but also inside. This feature makes the ship look quite bright and vibrant. This ship has 11 dining options in their "Freestyle Dining". Reservations can be made at the restaurants immediately upon arrival on the ship. Most of the elevators have electronic boards showing waiting times at various restaurants. As you cruise to Bermuda you will find there is plenty to do onboard—stroll through the art gallery, enjoy a Broadway style show, test your luck at the casino or stroll the shops. There are also a number of bars and lounges to relax in. You will not be bored!!
